

MAHATHRU REDDIPALLI

✉ hellomahathru@gmail.com ☎ +91 9849954311 🔗 LinkedIn 🌐 Portfolio

Professional Summary

ECE Industry-Integrated student with hands-on experience in IoT, embedded systems, Arduino, ESP32, and UAV technologies. Skilled in electronics, sensor interfacing, hardware–software integration, drone systems, and IoT-based solutions, with practical experience through internships and academic projects.

Education

Dhanekula Institute of Engineering and Technology, Ganguru

2024 – 2028

B.Tech – Electronics and Communication Engineering, Industry Integrated

CGPA: 7.85

Internships

FlyRo Drones

Jul 2026 – Present

Drone Integration Intern

Ganguru

- Worked on drone assembly, propulsion, flight controllers, power distribution, wiring, and system integration.
- Assisted with companion computer integration, UAV testing, configuration, and troubleshooting.

Skyline Space

May 2026 – Jun 2026

Project Trainee – Drone Design & CFD

Remote

- Gained practical exposure to drone/UAV technologies, drone design, CFD, and engineering workflows.

Projects

Smart Elevator Using Arduino UNO

Sep 2024

Arduino, ESP32, Blynk IoT

- Developed an automated elevator system with fire detection, motion-based lighting, and safety features.
- Integrated Blynk IoT for remote monitoring and control using Arduino UNO and ESP32.

Smart Medicine Reminder Box

Aug 2026

ESP32, IoT, Web Interface

- Developed an ESP32-based medicine reminder system with scheduled alerts, sensors, and buzzer notifications.
- Built a web interface for remote medicine schedule management and IoT-based monitoring.

Technical Skills and Interests

Programming: C, C++, Python

Embedded & IoT: Arduino UNO, ESP32, ESP8266, Sensors, Actuators, Microcontrollers, Blynk IoT

Drone & UAV: Drone Design, Assembly, UAV Integration, Flight Controllers, Companion Computers, Troubleshooting

Tools: Arduino IDE, VS Code, Git/GitHub, OpenCV, YOLOv5

Web & Database: HTML, CSS, Basic JavaScript, IoT Web Interfaces, MySQL

Core Skills: Electronics, Sensor Interfacing, Hardware–Software Integration, Circuit Prototyping, Problem Solving, Team Collaboration

Certifications

Getting Started with NVIDIA Jetson Nano

NVIDIA – 2026

Power Electronics Simulation

MathWorks – 2026

Introduction to Quantization

AMD – 2026
